

CERTIFICATE III IN ON COUNTRY MANAGEMENT

ABOUT THE COURSE

With the Certificate III in Indigenous Land Management, you'll gain valuable insights into the conservation and land management industry, focusing specifically on Indigenous land management.

Our program equips you with the skills necessary to work as an Indigenous land worker, collaborating closely with Aboriginal communities and respecting community protocols. You'll combine traditional wisdom with contemporary techniques, creating a unique blend of knowledge.

Throughout the course, you'll delve into the theory and practice of land and country stewardship. From safeguarding wildlife and plant life to implementing sustainable practices, you'll play a crucial role in ensuring a thriving natural world for generations to come.

If you're ready to embark on this exciting journey, get in touch with us today to explore your training options and take the first step toward a rewarding career.
